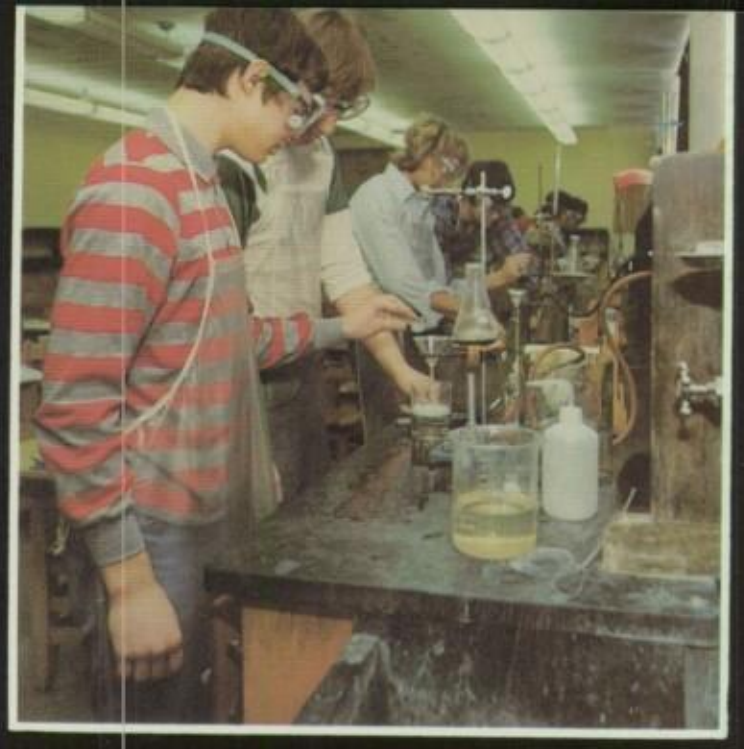
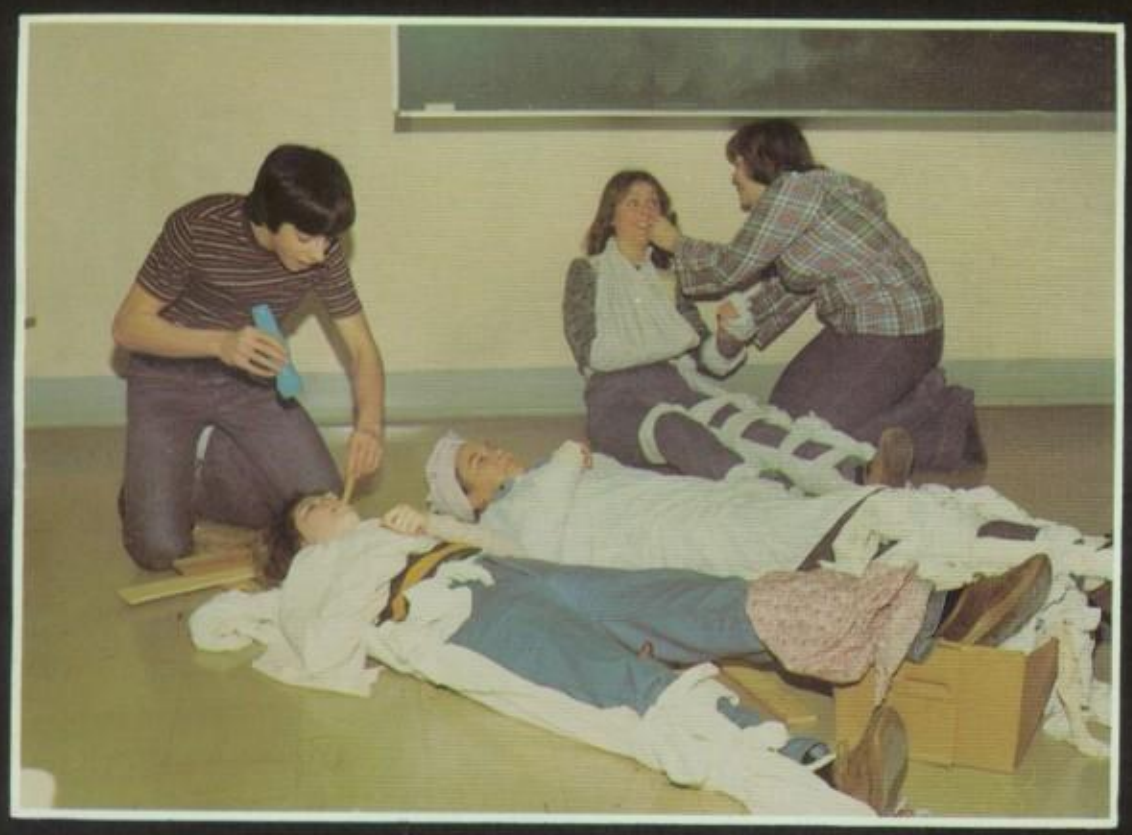
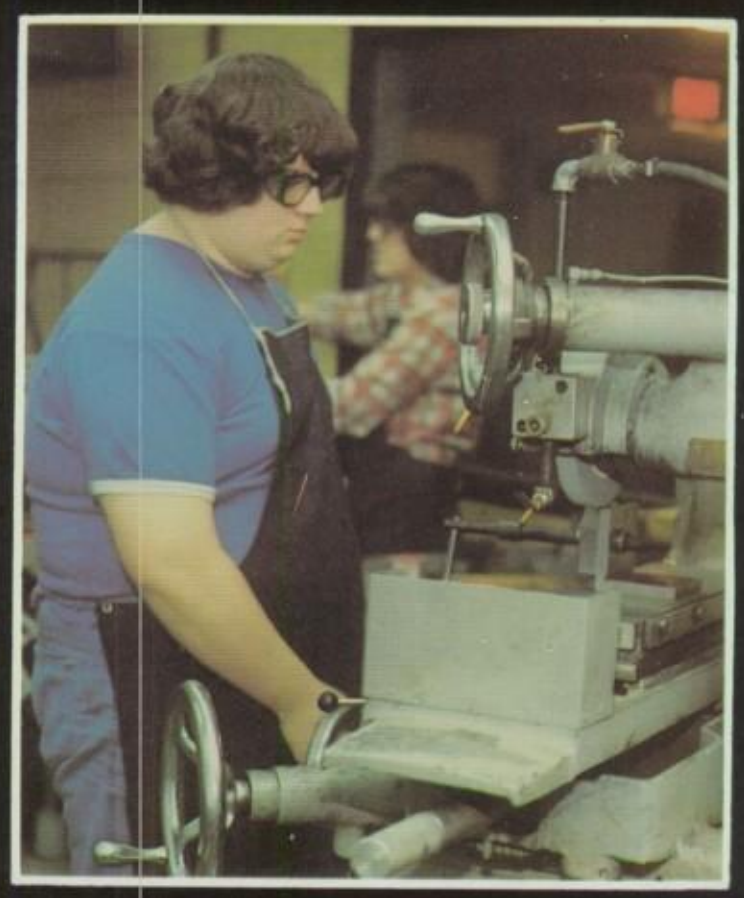
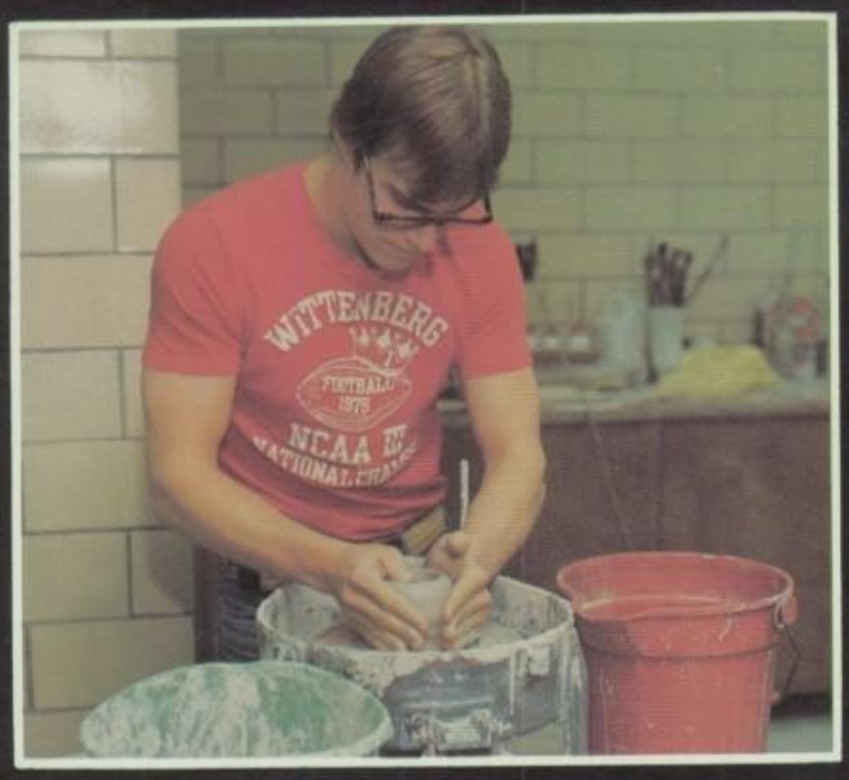
Something For Everyone!

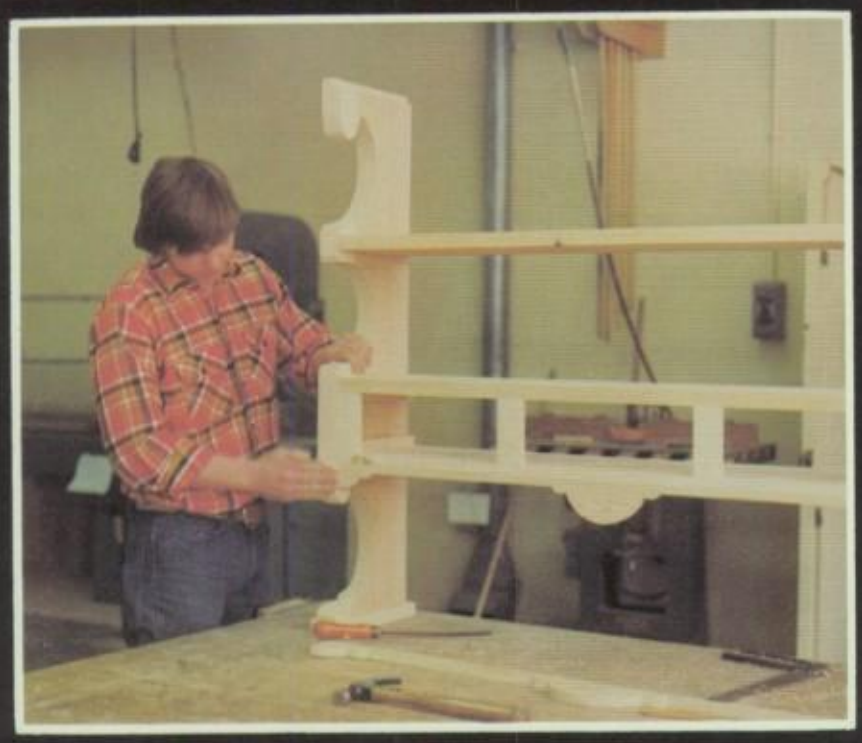


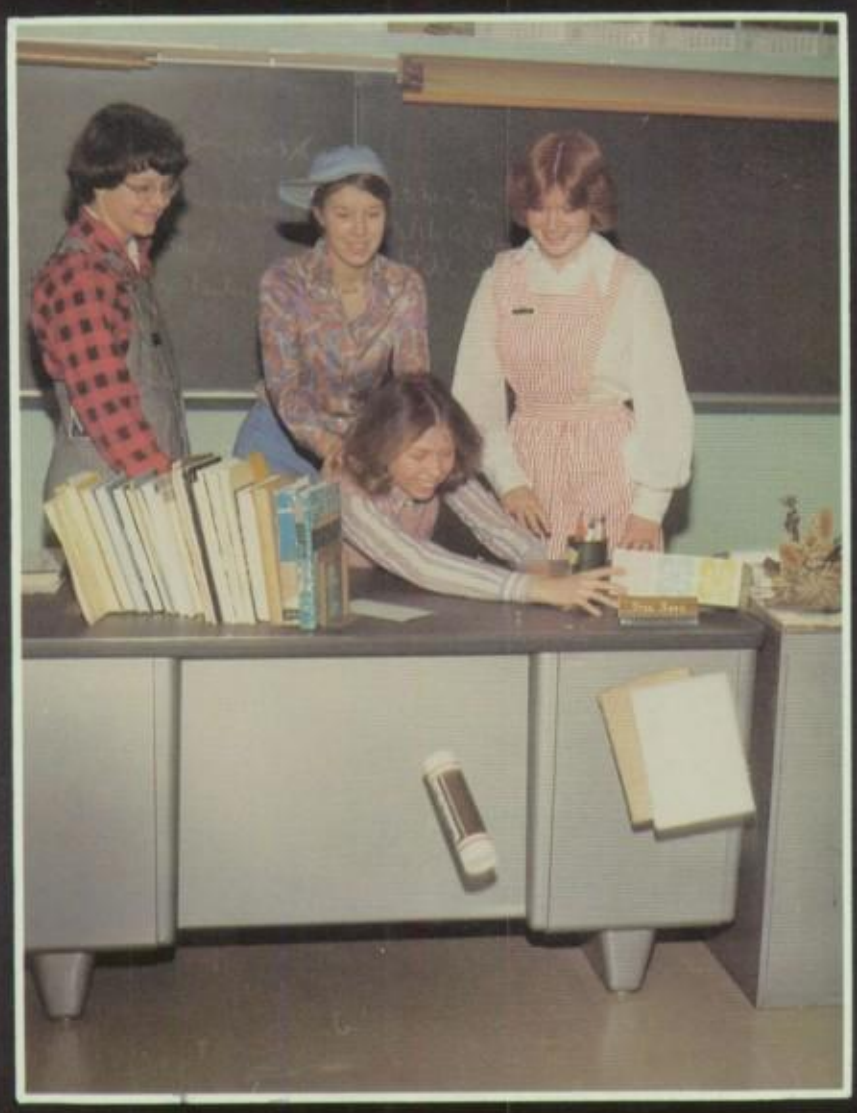






A large number of careers are taught at SHS. Pick the one most interesting to you and pursue it with all your heart. You hold the key to your future!





And Everyone's Doing Something!

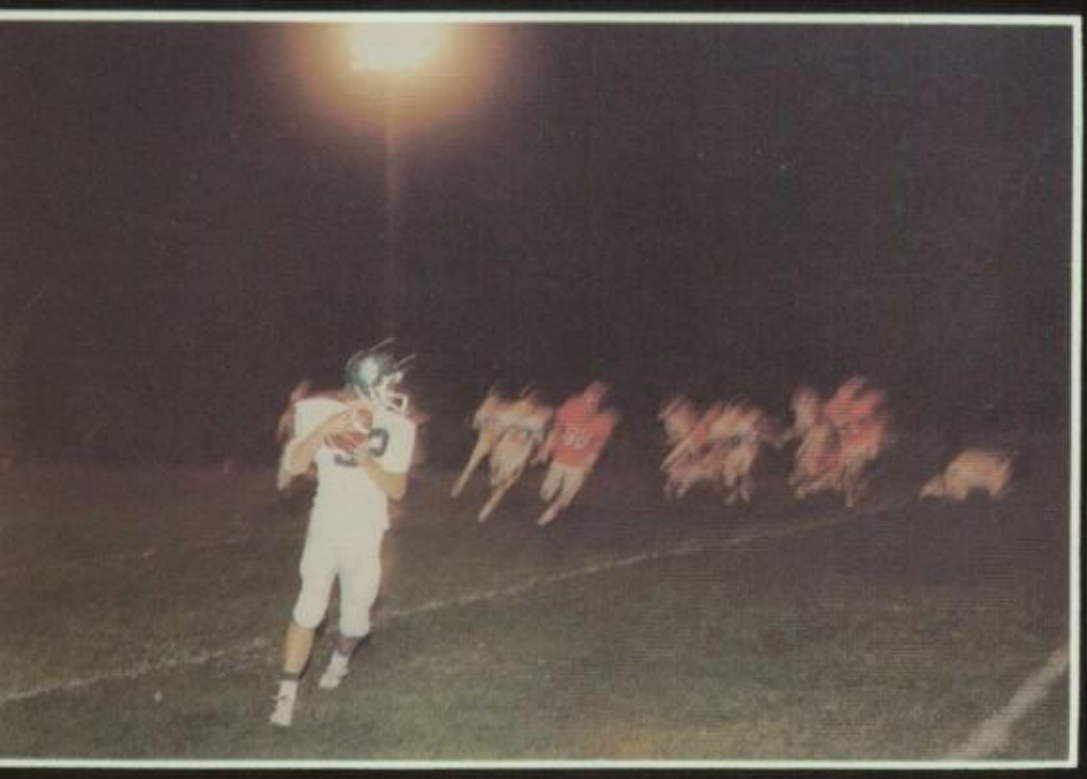
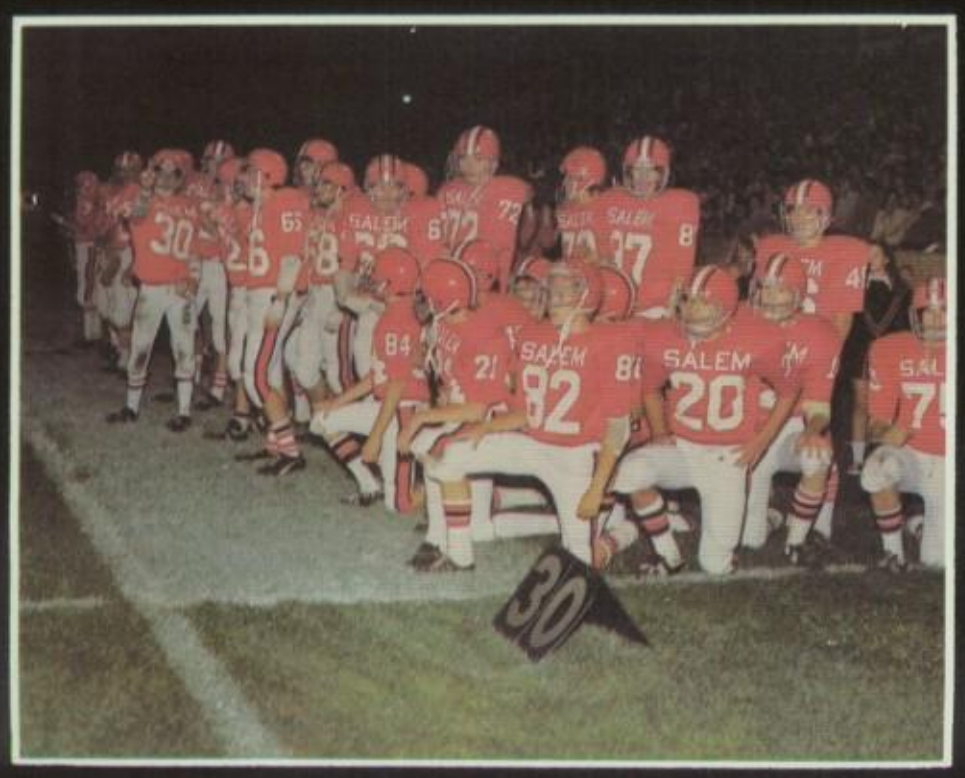
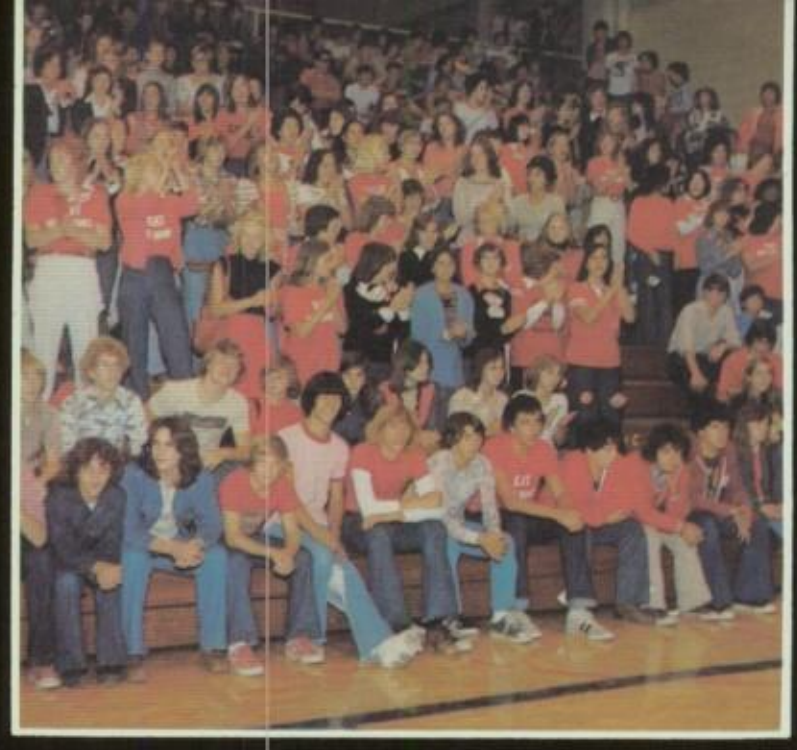
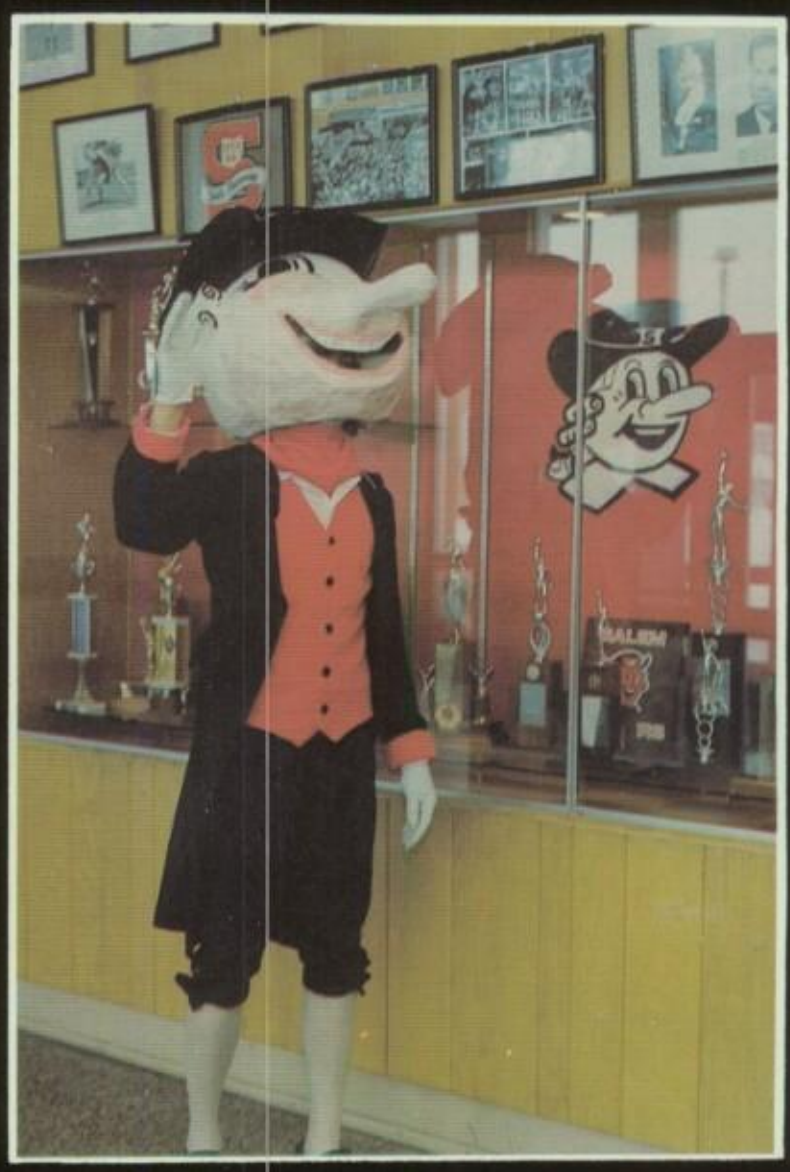
Sports . . .

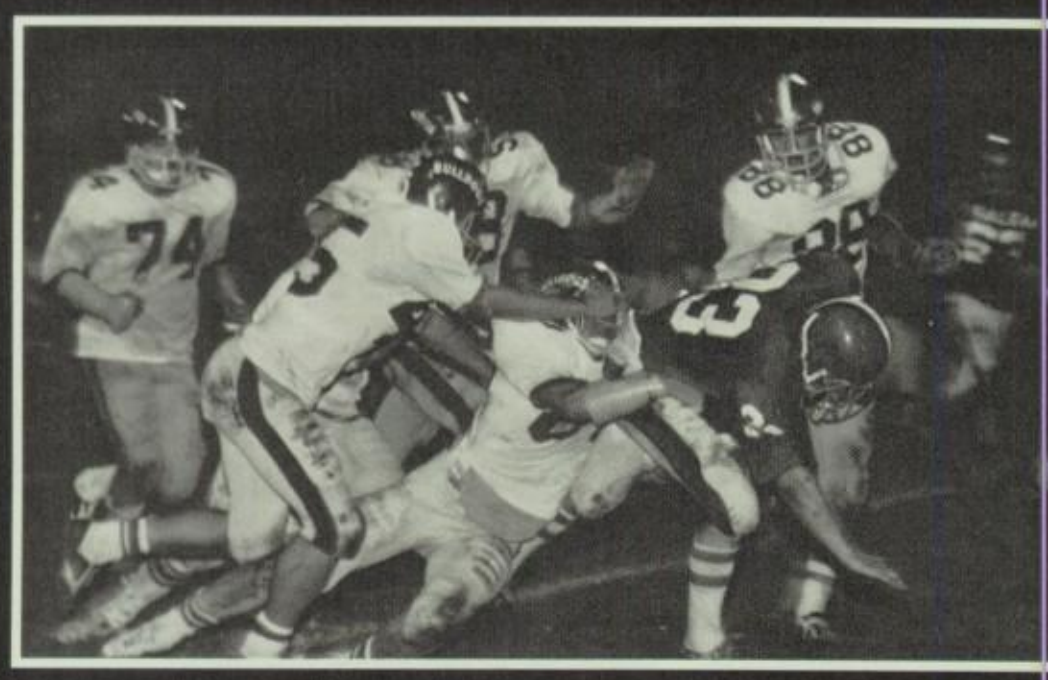


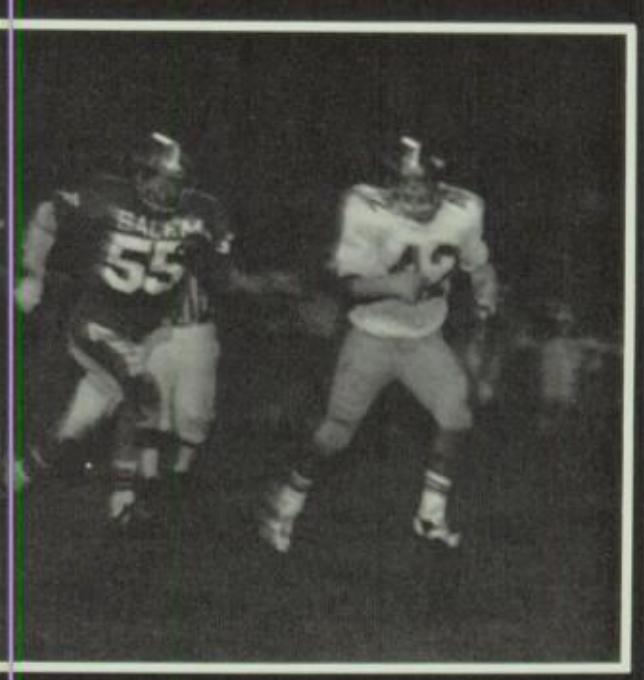


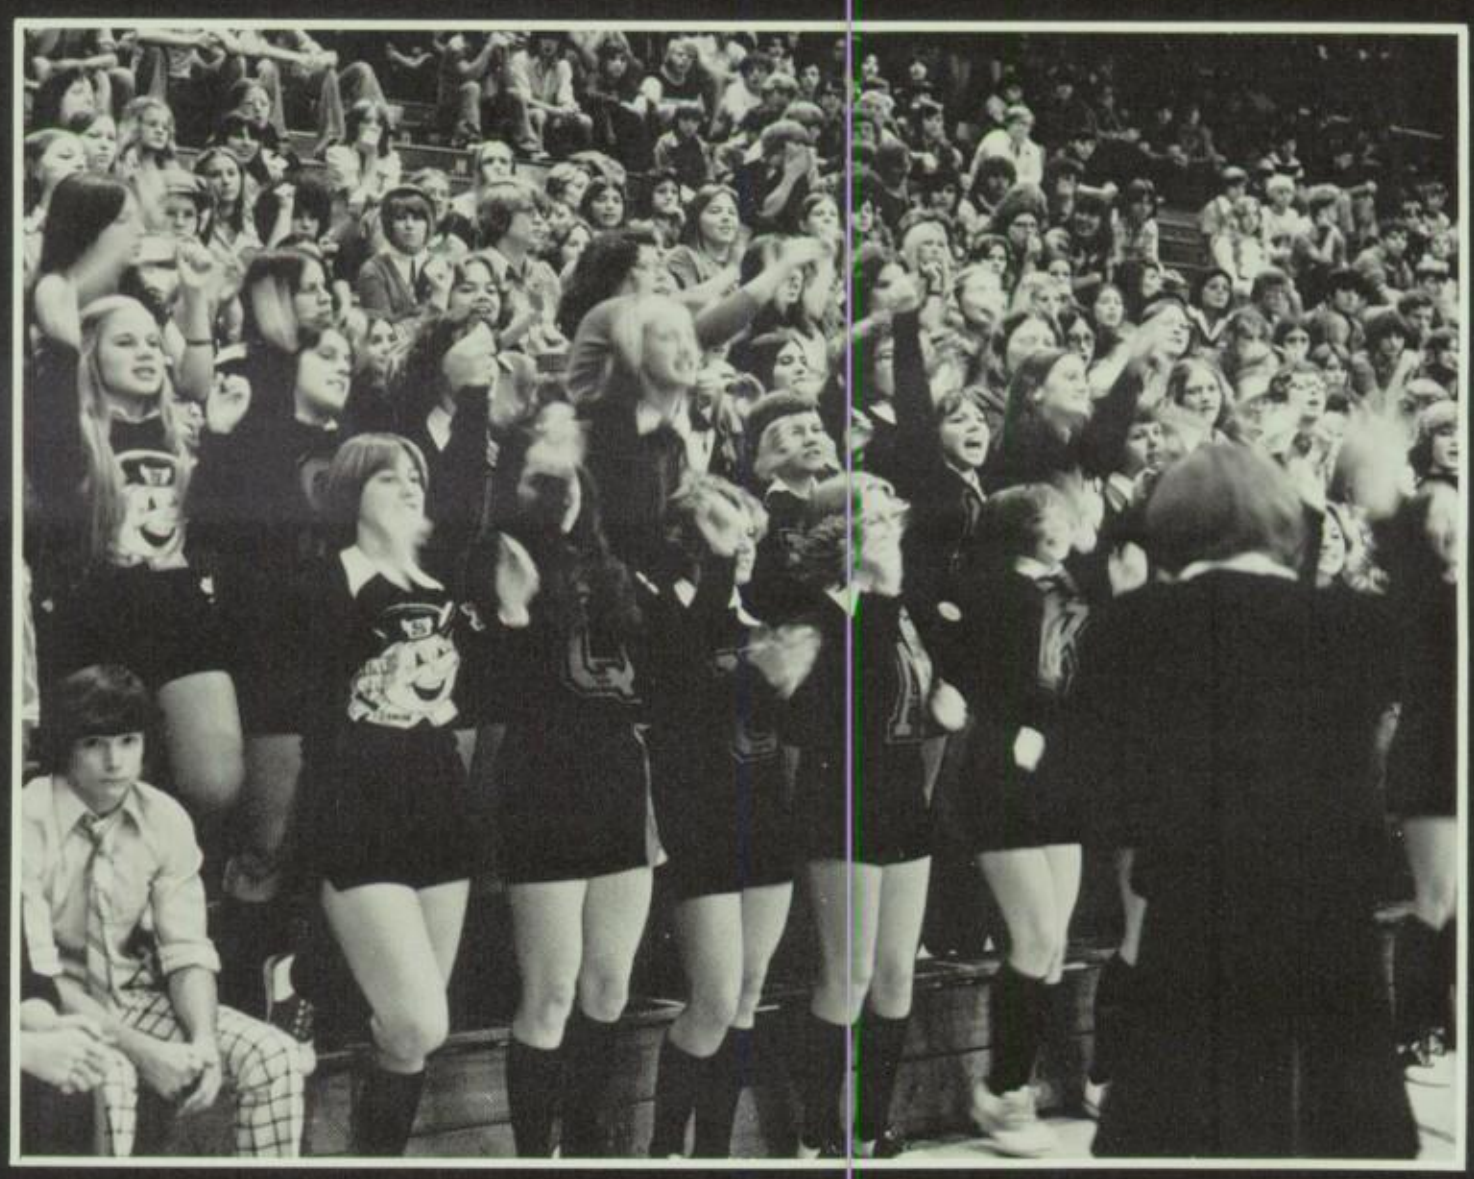




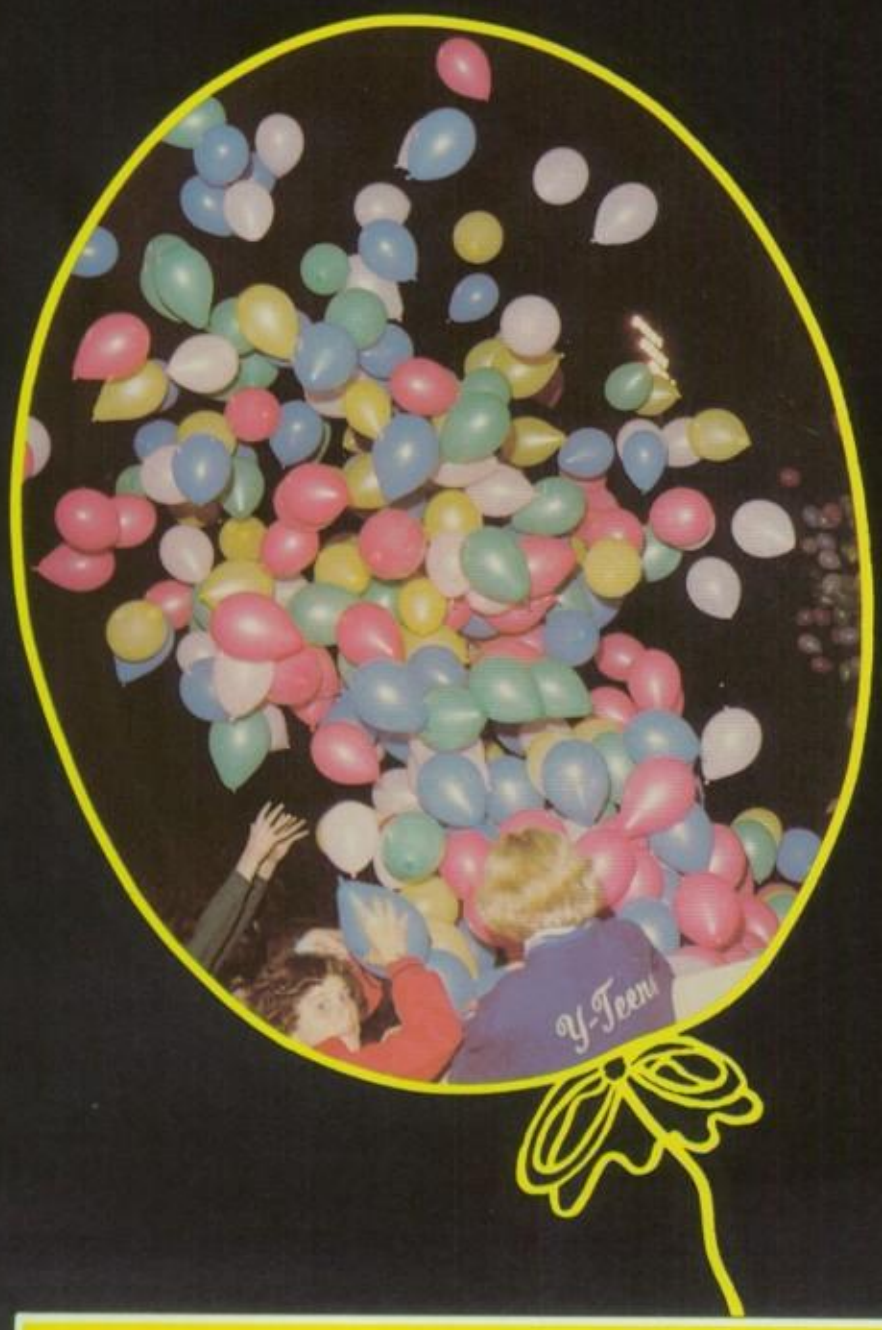
And Spirit!

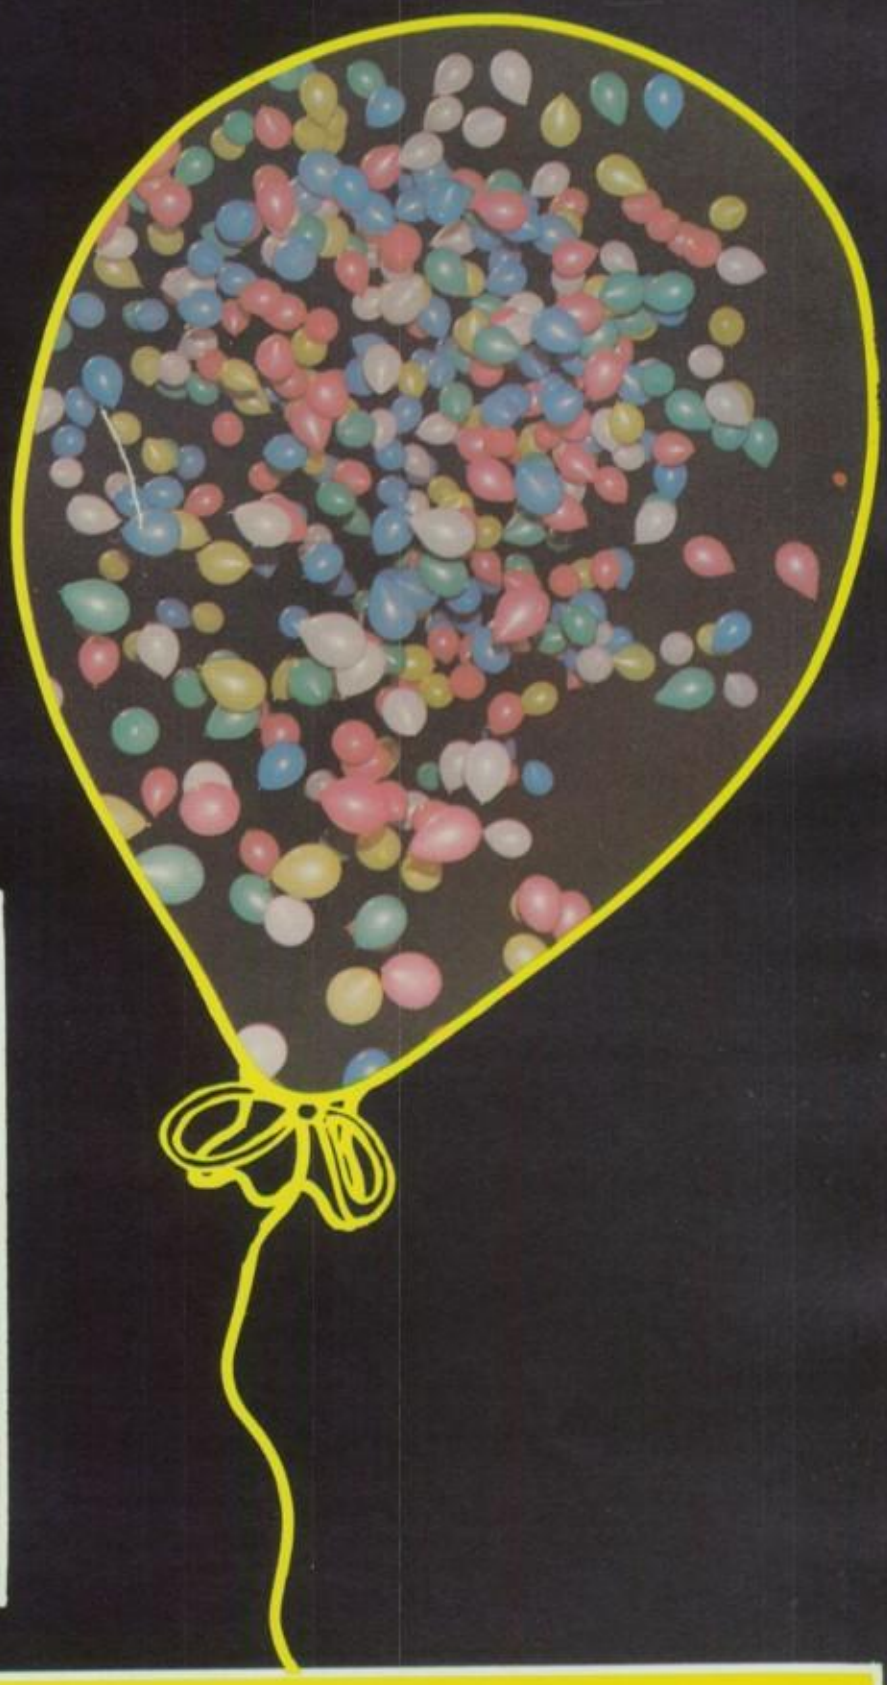


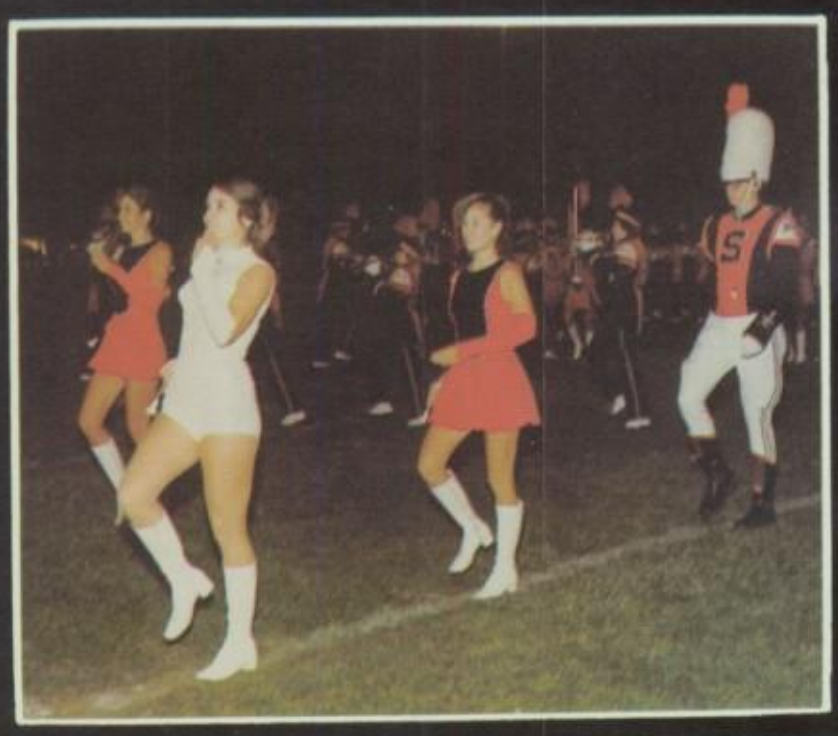




"Wow! What A Band!"







A TRIBUTE TO THE WINTER OF '77 AND THE STUDENTS WHO ENDURED IT:

No one will forget the "winter of '77" when heavy snowfall, extreme temperatures, and severe fuel shortages brought the Jr. High students to the High School for classes. High School students attended during the morning session, and Jr. High in the afternoon. When warmer weather finally arrived and classes resumed their normal schedule, Supt. Robert Pond said he was "extremely pleased with the co-operation of students and teachers during the emergency situation". The Quaker Spirit and Tradition lives on!

As the Senior High students left. . .

The Jr. High arrived.

Sharing, Living, And Loving

The future for the class of '77 holds much promise. But some people have found that in sharing their future, their lives become even more fulfilling. Individual interests are not sacrificed, and both benefit greatly.

STUDENTS ABROAD

Outgoing Exchange Students: Linda Grams, Colleen Miller, Cheryl Stone.

Each year the American Field Service and Rotary bring students from abroad and sends Salem students to foreign countries, giving them the experience of living away from America or their own nation.

On April 22, 1977, an AFS day was held at Salem High. Students from abroad came to the school and spoke in classes about customs, dress, and the various ways of their countries.

The AFS and Rotary programs are a way of bringing nations together through students. Each exchange student lives according to the customs of the country he is visiting.

Visiting Exchange Students: Olga Navarro from Costa Rica, Setsuko Ohishi from Japan, Eva Lunderquist from Sweden.

In addition to worthy performances at football games, parades, and the annual spring concert, the band became Salem's ambassador to Florida for the week of April 19. SPORTS

IN THE FALL

Football

The 1976 football season was somewhat a disappointment but it was a memorable one. The 1-8-1 record was not an indication of the willingness and enthusiasm the Red and Black displayed. The bright spot for the 1976 season was the running of Randy Mellinger who galloped over 900 yards. Richard Karlis also displayed the ability of booming punts and kicks. Other memorable moments came when Andy Baillie picked up a fumble and ran 82 yards for a touchdown, and Brett Albright's ability to compete with pain and show leadership on the field.

Golf

The Salem Quaker Golf Team put together a fine season in 1976. They won 11 of 21 matches this year. The 10 defeats were very close and could have gone either way. The highlight of the season was when the Quakers put together the best score in three seasons by shooting a fine round of 160, just missing the record of 158 set in 1974. The Quaker team was paced by seniors Alan Guchemand and Rick Mattix. The steady play of Kevin Guchemand, Ed Stone, and Eric Burk create a bright outlook for the future.

Sophomore Cathy Yeagly led the team with an undefeated season and was the district tournament runner-up. Spirited Seniors Buffie McCorkhill and Kim Leipper sparked the team with their efforts. A memorable day was when the team played their last match in below freezing temperatures. Coach Ritchie is looking forward to a good season next fall with a strong contingent of veterans returning.

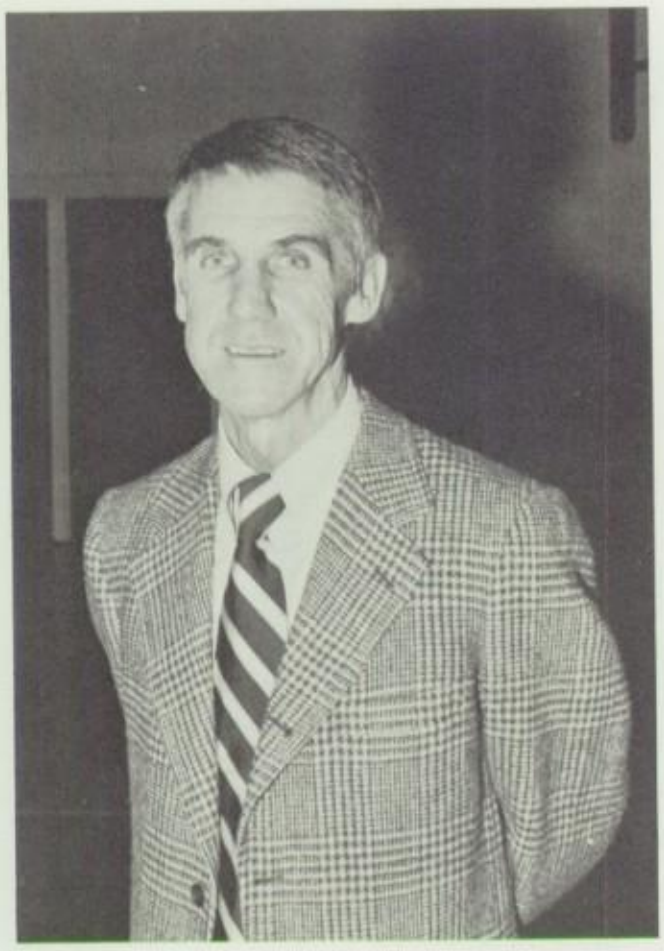
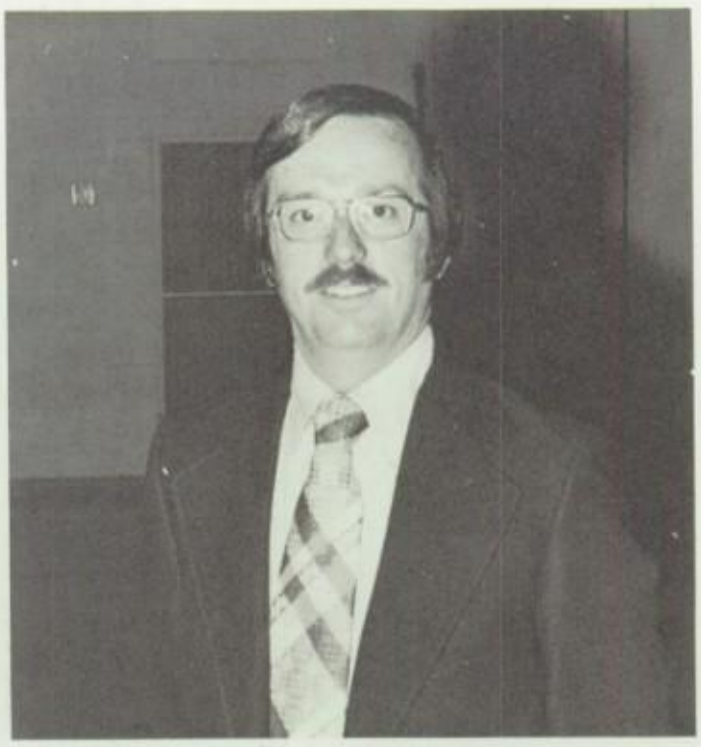
1976-1977 Varsity Basketball



Head Coach: Al Bailey.

Although the Salem Basketball team was inexperienced this year, Salem once again put out a team that every person in Salem can be proud of. Under a new head coach, Mr. Bailey, and only three seniors, Chuck Wright, Bill Thorne, and Captain Randy Fortney, the Quakers finished with a regular season record of 10-8. The season was one filled with many different highlights and disappointments. The team won games when they were supposed to lose, and lost when they should have won. The Quakers showed Salem that there are more ways to play basketball than by trying for high scores. The new style of aggressive basketball excited many people.

Managers: Jim Miller, Rick Mueller.



Assistant Coach: Roger Ziegler.

Bruce Maher, Tim Bailey, Randy Fortney, Bob Jesko, Bill Thorne, Bill Shivers, Paul Rutkousky, Dave Firth, Chuck Wright, Mark Webb.

The Freshman basketball team did quite well this year. The team was made up of a variety of athletic ability. The season record was 7-6 and there were a few hard losses. Girls' Basketball

A young team and speed will be the key to the Girls' team next year. This past year was mostly a rebuilding year for the girls. Seniors Sue Riley and Debbie Madison led the team to a regular season record of 6-9. The revenge victory over Warren Harding had to be the high point of this year's season. An increase in fan support was also noticeable this year. The addition of a Reserve team, coached by Jeff Tatraka, will provide some help for next year's team.

STAFF

The yearbook staff is without a doubt one of the most demanding activities available at any high school. A constant struggle for perfection in the final product, your yearbook, is achieved only through nine long months of scheduling pictures, drawing layouts, and rushing to meet company deadlines. The only major consolation to the staff comes in knowing they have started and finished one heck of a hard project, for words of praise from the student body are generally non-existent. So hey, student body, next time you see one of these kids, say "Thanks" for all the work they've done for you.

TO THE 1977 QUAKER STAFF: Here's a "Hat's Off Salute" to a fine, hardworking staff with whom it has been a pleasure to work for one long senior year. We've been through a lot together, and we surely won't forget the yearbook as a major part of our senior year at SHS.

Thanks,
Mark

TO THE GREAT SENIOR CLASS OF 1977:

Lead decent and honest lives
Be a responsible person in all you do
Take pride in our great country of America
But most of all, enjoy life and its peoples
To the fullest . . . for isn't that what
Life is all about?

"Gee, I'm looking forward to the future
For in the distance I can see . . .
A great new day is dawning
In the twenty-first century . . ."

It's been an exciting, busy year.
See you all at the 50 year class reunion in 2027!

"LOVE THOSE QUAKERS!"
